Issues
 Grad offices are separated from Dean's Office
Need space for GA's
 MFA - smaller spaces for each person or grouped spaces
 if laptops and tabs are the norm, then flexible space is good... 1021 good example
 New media classrooms are not enough now, could add more 15's/30's...prob need more 1021's due to FFE budget
 College wide GA space w storage and private conf spaces
