

We understand that everyone loves making photographs with their digital cameras. Non-CP majors, such as students of Art & Design, Fashion, English, Geography, Zoology and any other major of study at SIUC are welcome to earn a minor in photography with us.

The **requirements** for the minor are: 15 credit hours total including;

CP 210 History of Photography

CP 230 Photography I

CP 330 Photography II

And any other **6 credit hours** of photography classes numbered **300 or 400 level**

Course descriptions

CP 210-3 History of Still Photography

A survey of the important images, ideas, people & processes that make up the history of still photography. Covers photographic pre-history through our contemporary age.

Screening fee: \$30. Prerequisite: ENGL 102.

CP 230-3 Photography I

Lecture & lab which integrates photo appreciation with the digital image production. Provides a hands-on experience of capturing, managing and editing of the digital image. Lectures focus on the major cultural uses & language of photography. Lab meetings will focus on camera operations, and digital editing workflow. Students will supply personal digital still-camera recording devices [camera phones and compact cameras]. \$35 lab fee.

CP 330-3 Photography II

Intermediate course using DSLR (digital single lens reflex) cameras to learn camera controls and principles of RAW digital capture through to printing. Visual design principles, digital file management, and editing will also be learned. The technical processes will be emphasized along with photographic vision. Students will have hands-on experience with Adobe Lightroom & Photoshop in the Macintosh computer labs. Lab Fee \$35. Prerequisite: CP 230 with C or better.
