**Subject: Internship Interview Request**

Dear [Student],

I received your resume from your internship coordinator and am interested in speaking to you further about an internship with our company. I was hoping you could tell me a bit more about yourself, such as what you are interested in doing this summer, what your long-term goals are, and why you think you'd be a good choice for an intern for our company. Also, please let me know your availability over the next week so we can set up a telephone interview. Thanks for your time and interest.

Sincerely,

Patricia Steinbeck
